

We value WORSHIP that encompasses all that we are and do, is deeply rooted in the Biblical story, lived out in faithful obedience to Christ and overflows in personal and corporate expressions of praise and thanksgiving.

We value PRAYING TOGETHER, humbly seeking God's guidance for our fellowship, casting all of our cares on Him, desiring above all to experience His active presence in our church and community.

We value COMMUNITY knowing that we grow in Christ as we grow together in the body of Christ, opening our homes and lives to one another, enjoying each other's company, engaging with God through His word and prayer, walking together through life's difficulties, seeking to live out the truths of the gospel and encouraging genuine gospel transformation in others.

We value MISSIONAL LIVING where every member, each community group and the church as a whole is actively sharing the love of Christ and the hope of the gospel with our friends and neighbors; co-workers and casual acquaintances; and those whom our world has forgotten.

We value THE LOCAL CHURCH as God's design for fulfilling his mission in the world, and are committed to planting gospel-centered churches that are committed to planting other gospel-centered churches around the world.

We value BIBLICAL GENEROSITY, the wholehearted giving of ourselves to God and the faithful stewardship of our time, talent and financial resources in fulfilling His purposes in the church and throughout the world.

WHAT WE VALUE

Our prayer for the past few months has been that God would form us into the people He wants us to be as he moves us to the place He wants us to be.

Our staff and elders have given a lot of thought to how we would describe who we are and what is important to us. As we continue to form our thoughts we've crafted a values statement that describes our heart for the life and ministry of Fellowship Bible Church.

Fellowship Bible Church is a community of believers who are being shaped by the hope of the gospel and living out Christ's redemptive mission in our city and around the world.

We value THE GOSPEL, the good news that Jesus Christ has accomplished for us what we could never accomplish for ourselves by dying on the cross in our place, offering us forgiveness of sin, the gift of new life and eternal hope through faith in Him.

We value EXPOSITORY PREACHING, teaching through the Bible in its literary and historical context, presenting the story of God's redemptive plan as it unfolds throughout Scripture and inviting people to find their place in His story.
