

## THE CHRIST CHURCH READING PLAN | YEAR TWO

Our reading plan is designed to take you through the Old Testament in two years, and the New Testament and Psalms every year.

We take you through the OT Historical Books, the Former Prophets (in chronological order), the Wisdom Literature, and finally the Chronicles and Later Prophets (also in chronological order).

We take you through the New Testament in four cycles beginning with a Gospel followed by the Letters that best fit the theme and style of the Gospel writer.

We have given you six readings each week to allow for a catch up day, and placed the Psalms on the weekend for a change of pace.
